

TENSION FABRIC BOOTHS

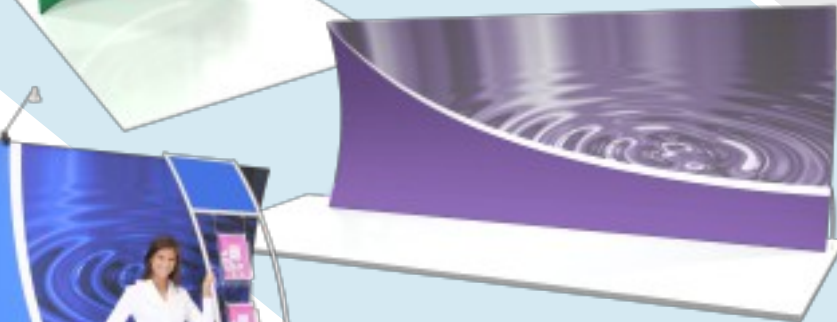

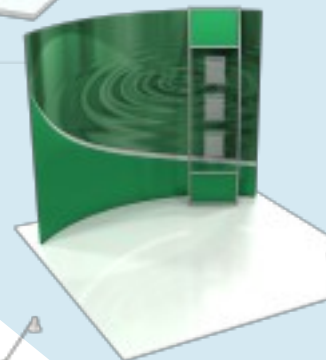

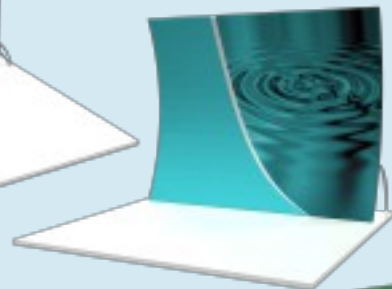

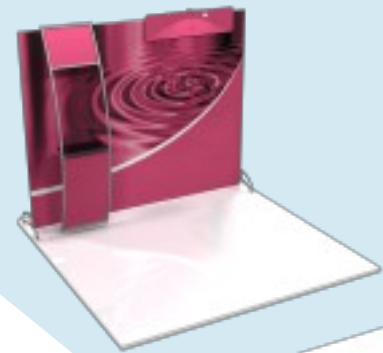

*Tension Fabric Never Looked So Good!*

Tension Fabric Booths are a light-weight, portable display system with multiple design possibilities. Its aluminum, tube frame structure assembles quickly without tools. A tension fabric, washable, pillowcase graphic slips effortlessly over the frame. Unique shapes and a host of accessories create a style that is functional and compelling.

Tension Fabric Backwalls are advanced aluminum structures with fabric graphics. Some kits include: front curved accents, low voltage lighting, tabletops and/or counter, literature pockets, headers and top accents.

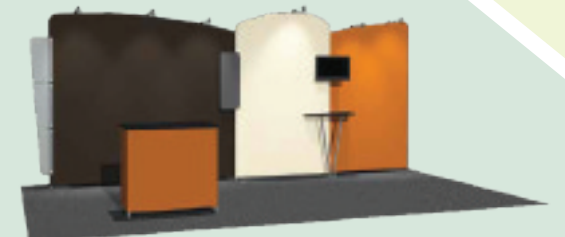

Hopup Tension Fabric Displays are simple, versatile and can be set up in seconds. Hopups feature a lightweight, heavy-duty frame that holds a durable, stretch fabric graphic mural. Simply attach the graphic, pop (expand) the frame and you have an exhibit. All curved and straight Hopups are available with and without end caps.
